## Specialty Seating for Robust Support

Thoughtful ergonomics, easy adjustability, and workhorse durability. For trouble-free seating, A-dec Stools give you outstanding positioning and support. Made with materials to withstand all kinds of wear—and engineered to move and steady the way you want—this is a stool for treating patients through the life of your practice.

Easily maneuverable adjustments, smooth and tough base and casters, and form-focused design to reduce disc pressure and muscle fatigue, A-dec Stools make no compromise. For style, choose between sewn and seamless upholstery in a color palette that matches your A-dec dental chair. With your next seating investment, you're assured years of combined treatment-room insight with A-dec's legacy to build the best better.
